Kindergarten Teachers –

Thank you for I LOVE Public Schools Day!

Kindergarten Roundup was a success and saw approximately 80 potential Kindergartners for the 2020-2021 school year.

This is the first year the kindergarten students are taking MAP Tests on iPads. It's been going well thus far and great to have an extra data point.

Eggs for the Life Cycle project arrive this week and they will be anxiously awaiting the hatching of baby chicks to learn more about the animal life cycle.

Committee Chairs -

Family Event / Dinner Nights – The Lancer Hockey Game sold approximately 78 tickets and generated \$308 for Manchester. Thanks to all who attended! It was a FUN Night!

The next Family Dinner Night is Wednesday, February 5th at The Good Life. Eat In AND Take-Out available. Just mention you are from Manchester.

Runza Family Dinncer Night is March 10th! Eat In AND Drive-Thru. Remember to memntion you are ordering on behalf of Manchester.

Walking Path Fundraising

GOAL – Area for students to walk/run away from high traffic areas that is a continuous track

WHY – Line of sight, Walking Club, PE, Fun Day, Color Run/Walk-A-Thon

There are potentially two phases 1 = connect the main sidewalk to the path sidewalk 2 = widen the existing sidewalk

Fundraising Ideas were discussed: Golf Tournament, Reception Dinner, SID/EAA/City Parks & Rec to contribute, potentially HOA if they have funds to spend prior to annexation, PayPal fundraising link that can be shared on social media. Please feel free to share other ideas you may have!

Principal Report –

Mrs. Addink presented the Manchester SIP Action Plan (School Improvement). An external team will be visiting March 3rd, and we are looking for parents who would like to be interviewed about their experiences surrounding Manchester. Please let the office know if you are interested and willing.

Thank you for all that you do to make Manchester an incredible community! Please join us for the next PTO Meeting Monday, March 2nd at 6:30 in the Manchester Media Center.
